

Region 6 Latin America and the Caribbean

1. The need to harmonize NGO's and States relations toward achieving the same broader goal for improvement of ICH Bearers and the Safeguard measures
2. Identify NGO's in the Region understanding that they are the ones that work direct on the ICH safeguarding, through intersectoral actions and community based organizations that don't see themselves as NGO's
3. Create an alliance of NGO's in the Region to interchange knowledge and create broader projects, Curacao representative share the example of a Caribbean network promoted by Jamaica, as an example.
4. Include NGO's that works with 1972 and 2005 Conventions.
5. Finally there is a need to focus the capacity building to enhance the operational capacities of the NGO's with soft skills and participatory techniques that can improve their work in the field.
