

#HERITAGE ALIVE!

Eivind Falk

11th.COM, Addis Adeba

THEMES

- Methodological challenges working in the field
- Sustainable development of ICH
- Cultural industries

Common for the themes is that they should have a practical approach and describe the methodical challenges we meet as experts and NGOs in the field. Examples both of good practices and bad practices are welcomed in order to share reflections and experiences between the NGOs and experts.

EDITORIAL FRAMES

1. The articles should be around 2000 words
2. The author is responsible for washing the text for misspellings before passing it to the board. A text characterized by misspellings and grammatical errors will be returned to the author.
3. When the article is ready and approved by the board, the author will be asked to write a summary which can be translated into either French or English.

All articles online is now supplied with a summary translated. A huge step for us.

THEMES DISCUSSED IN WINDHOEK

We decided two new themes for 2016:

- Inventorying
- Traditional knowledge

#Heritage Alive would in the coming period encourage different authors and NGOs to discuss the same theme from different views;

- Articles focusing on **traditional medicine**
- Publication on paper?

GOAL:

**2-4 NEW ARTICLES
IN FRONT OF 11.COM**

**MAIN THEME:
TRADITIONAL MEDICINE**
